Romania Meeting

Meeting in Romania

First of all I wanted to thank all the teachers and all the students for receiving us so well! It was an incredible experience that I will remember forever I met some amazing people who have always helped me and, above all, helped me to grow and who have shown me that there is always a positive side of life! There are things that stay in our heart and this trip will be forever for all the good things that brought into my life.
Thank you so much.

Social Inclusion Of Disadvantaged Students

First of all, I would like to thank the students and teachers who received us in Romania, they were very kind and pleasant. It was a great adventure for me, to know a country, it is one of the best things that happens to me in my life, to be able to know new cultures, new gastronomy and, of course, new people. I loved visiting Castle Dracula, Cluj-Napoca and Salina Turda. It was a very fun and exciting week, it was very fast but it turned out to be the best week of my life.

Meeting in Romania

Well, first of all I have to thank all the teachers and students who gave me the opportunity to try something so good. Thank you also for receiving us so well. It was a week full of adventures, full of new experiences, and there was nothing I did not like. All the moments were unforgettable and will always be in my mind. I know it is difficult but I will never lose hope of seeing all of you again, and I hope never lose contact with you. Many tears were shed but many joys were shared. In just one week I was able to feel at home and make friends for a lifetime. Thank you for this incredible experience and thanks to the project for giving us this. Forever!

Meeting in Romania

Hello, my name is Bárbara Gomes, I am from the Fernando Távora school in Portugal.
Particularly I loved the ERASMUS project!
I met new cultures, new people, a new language, it was a different experience even because I had never traveled to another country and go to a country that I would never think to travel and like so much is surreal.
I thank you very much for having welcomed us so well, I hope we can do the same.
